

Early Career Teacher 2019-2020

The RQT programme is for teachers in their second or third year of teaching and aims to support them with the further development of their teaching practice. Over the course of the programme senior leaders will provide individuals with the opportunity to reflect on their development and support their professional development. They will also have the opportunity to share good practice with their peers and develop supportive networks.

All sessions are at Launde Primary School 4-5.30pm
